Feature Articles

Certification Requirements Change during the

COVID-19 Pandemic

California Department of
HealthCareServices

The most recent updates from DHCS include guidance for the AOD/SUD Counselor in DUI programs and other healthcare agencies certified by DHCS.

Additional Time to Complete Counselor Certification Requirements

California Code of Regulations, Title 9, §13035(f)(1) requires AOD registered counselors to obtain certification as an AOD counselor, from a DHCS recognized certifying organization, within five (5) years of the date of registration.

Under the authority of Executive Order N-55-20, DHCS shall suspend the requirement to complete AOD registration for the duration of the declaration of emergency. DHCS shall extend the AOD registrants' completion date by the same number of months that the requirement was suspended.
