## Exam Retake Application

Please Note: There is a required 90-day waiting period from the day you took the last exam. Please use this time to study and prepare for your exam re-take. Please call us with any questions and visit the CADTP website for exam study resources.

In December 2011, IC&RC began using pretest items on its exams. Pretesting allows IC&RC to streamline its exam development process, provide much-needed data on questions and increase the security of its exams. On each IC&RC exam, there are 25 “unweighted” items that do not count toward candidates’ final scores. Unweighted items are also called pretest items. Pretest items are not identified on exams and appear randomly on all exam forms. All exams are 150 questions in length.

For further information regarding pretest items please visit IC&RC’s website at the following link: <http://www.internationalcredentialing.org/news?mide=PostView&bmi=690907>.

Please review the IC&RC Candidate Guide at the following link for rules and more information regarding the exam [https://internationalcredentialing.org/resources/Candidate%20Guides/ADC\\_Candidate\\_Guide.pdf](https://internationalcredentialing.org/resources/Candidate%20Guides/ADC_Candidate_Guide.pdf)
