CADTP

SUD Counselor Registrant Liaison Program

About the Program

Our dedicated Registrant Liaison who will provide personalized support to address various barriers hindering your certification journey. From educational prerequisites to exam readiness, our liaison will assist with exam preparation materials, stress management, scheduling, ADA accommodations, and any other identified challenges. This initiative is part of the DHCS "Behavioral Health Workforce Development (BHWD)" Project No.: 22-20574, aimed at bolstering the statewide expansion of California's Behavioral Health Workforce.

Personalized Plan

Collaborate with a committed registrant liaison to develop a personalized certification plan for you.

Virtual Meetings

Schedule a personalized virtual meeting with the Registrant liaison at a time convenient for you.

Scholarships Available

Financial aid is provided for individuals with low income.
